

Did you know?

The credit union offers a wide range of insurance products for our members. Insurance is meant for the sole purpose of preventing loss. People can insure their lives, houses, and automobiles...just to name a few things.

Unfortunately, losses do occur. Going through a hectic time can be quite enough, so don't let the problem multiply. Carrying insurance will help ease the financial burden during crucial times. It is meant as a bridge to help someone through a difficult period. Not having the correct insurance and amounts could potentially set a person back. The credit union can help you understand and choose what types of insurance make the most sense for you and your loved ones. For more information, contact the Credit Union at (310) 432-2344 or visit us at www.foxcredit.com.

Are you looking to change gears, and purchase a different car? If so, the credit union can be of assistance. Not only can we help you with the financing of your next purchase, but we can help with choosing and configuring a vehicle that is right for you.

20th Century Fox FCU would like to introduce our members to Autoland, the credit union auto-buying service. Saving time and frustration is important when choosing an automobile. Using Autoland's buying power, your Autoland consultant will provide you with accurate and up to date information on pricing and availability. Place your order and your consultant will do the rest. Take delivery of your Autoland vehicle at our convenient Credit Union location. It's that easy! You can find out more about Autoland by visiting our website, www.foxcredit.com.
