

USA Patriot Act

The USA Patriot Act requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. You will be asked for your name, address, date of birth, and other information that will allow us to identify you. We will also ask to see your driver's license or other identifying government issued documents. We only request documents required by law and will use the information only for purposes of complying with the law. If we are unable to verify your identity, an account will not be opened.
